BATHROOM CLEANING TIPS

Windows and Mirrors

In a 32 oz. spray bottle, add 1/3 cup white (clear) vinegar and 1/4 cup rubbing alcohol. If you absolutely must have another cleaner, add 1 tablespoon automatic dishwashing detergent.

Sinks

Once a month, pour one cup of baking soda, followed by one cup of white vinegar down the drain. Wait an hour and flush with warm water. The combination fizzes away most of the build-up. Works for shower, tub and kitchen sink drains as well.

Faucets

Water deposits build-up around faucets and drain areas. Use a paper towel soaked in white vinegar and place around the faucet. Plug the drain and pour 1/2 cup white vinegar in the sink and wait. It takes time for the white vinegar to dissolve the alkaline deposits. Scrub using a stiff bristled nylon toothbrush.

Do not use orange based or powdered cleansers on brass or gold plated faucets. These fixtures corrode and scratch quickly. Dry these faucets after each use to prevent water spot damage.

Interested in any of our properties?

1. Visit your chosen property any day of the week, any time of the day. Most of our properties have caretakers who can assist you during your visit (except for condos and vacant subdivision lots which are under the watch of the respective condo/subdivision homeowners association). For condos, you have to coordinate with us on where to get the keys.

Just a word of advice... Since our properties sell fast, we advise you to call us first before your scheduled visit, just to check if the property you are interested in is still available. You can also verify from us on the best way to get to the property.

2. If you like the property, submit to us a Letter of Intent (found in one of the pages of this catalogue) which should contain the following information:

- Address/Description of the property you are planning to buy
- How much you are offering to buy the property for
- How do you intend to pay the purchase price (Cash? Loan from your bank? Others?)
- Your name, address, contact numbers and signature
- Other pertinent information required

3. You will be informed if your offer has been accepted. A Letter Advice containing the terms and conditions of the sale (with the following information) shall be sent to you:

- Selling Price
- Property Address/Description
- Schedule of payment/s to complete the purchase price

4. After you sign the Letter Advice, which signifies that you agree with the terms and conditions of the sale, you must send us a copy for our file and as our basis to reserve the property for you until you pay the minimum 10% earnest money on or before the date stated therein. If the earnest money is not paid on due date, then the property will be offered to other interested buyers.

What are the related taxes and fees that go with a real estate transaction?

For the account of the Seller:

- Capital Gains Tax - 6% of Selling Price (SP) or Zonal Value (ZV) or Fair Market Value (FMV) whichever is higher
- Business Tax - if applicable

For the account of the Buyer:

- Documentary Stamp Tax - 1.5% of SP or ZV whichever is higher
- Transfer Tax - rate depends on location of property (ranging from 0.25% to 0.75% of SP or ZV whichever is higher)
- Registration Fee - graduated rate based on SP (ex. P5,646 for SP of P1 Million)
- Realty Taxes - for the remaining months of the year based on date of full payment

Note: Government may impose other taxes and fees that are not covered by the above schedule.

What are the payment modes available for the purchase of a property?

- Cash**
- Deferred Payment Plan (Case-to-Case)**
- Bank Financing**
 - Through BPI, BPI Family Savings Bank or any other major domestic bank
 - Terms are subject to separate credit approval by the lending bank
 - If you get a loan from BPI Family Savings Bank, the following are its current loan parameters (subject to change without prior notice)
 - Loanable amount up to 75% of appraised value of the property
 - Payment term up to a maximum of 12 years
 - Interest at lower than current market rates
 - The chart below shows how affordable the monthly amortization is

SAMPLE COMPUTATION

AV of Property	P 1,000,000

** Good for the 1st 12 months of your loan; succeeding months' amortization to be computed based on prevailing rate at the end of the 12th month.

Buyer may opt to set with the Bank a longer rate-fixing period to avoid yearly re-pricing and abrupt rate fluctuations caused by changes in economic conditions.
