From Troubled Waters...

...to Sunny Skies

The life of a Former Owner of a foreclosed property can be characterized by sleepless nights filled with feelings of uneasiness and despair. The thought of having to leave his or her home in case someone else purchases it can be unbearable.

Such was the dilemma of Florenda Tan for a number of years after her husband succumbed to a sudden heart attack. Once living a well-to-do life from a successful trucking business, Florenda and her family labored to sustain their lifestyle.

Sympathizing the struggle of his mother Florenda, Edward took odd jobs after graduating with a Bachelor's Degree in Hotel and Restaurant Management to be able contribute to the family and lighten his mother's load. In time, Edward found success as a seaman in a luxury ship.

As a result of his sacrifice, perseverance and hardwork, Mr. Tan was recently able to buy back his family's property from the Bank and and finally assure his family of an abundance of sweet dreams, as well as the promise of a better, sunnier tomorrow.
